### Music assignment for this week

Your Choice – I know school is wrapping up and I just want to take this opportunity to say how proud I am of you! You have come through a very historical event stronger than ever. Thank you so much for doing your music work throughout this time. I want you to have fun this week. So, below I have put a few of the websites that you have done over the past weeks. You choose what you want to do and email me it. You don't have to just stick to the websites. If you love to do something else with music (dance, sing, play piano or any instrument, listen to your ipod, etc.) email that activity to [dvanvlerah@vbschools.net](mailto:dvanvlerah@vbschools.net). I am so proud to be your music teacher. I am so blessed to work with students like you. Always know how special you are and that you have many talents, not just in the "normal" subjects. Be safe this summer, but have fun! – Miss Van Vlerah
